Assembly Instructions

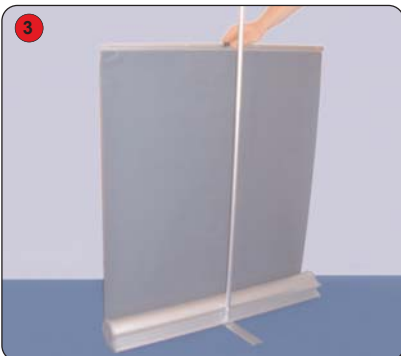

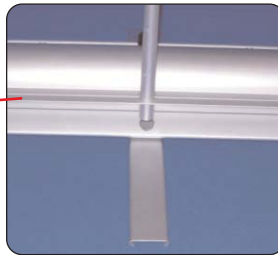

Kit includes:
base, bungee pole set and carry bag

Open the stabilising foot from the base.

Assemble the bungee pole and insert the pole through the holes in the base.

Lean the bannerstand backwards and extend the banner by lifting the top rail until the complete image is visible.

Finally, secure the banner by locating the top rail cup over the pole.

Take care when lowering the banner to prevent damage to the graphic (do not drop)

Other products in our value range include:
