# Assembly Instructions

Kit Includes: Mini Quick frame, mag bars, hangers and kickers, frame and mag bar bag and Padded bag

Here is the Quick mini tabletop packed up

Pull out the panel wrap from the outer case

Open the wrap using the hook and loop

Unroll the bag until fully unwrapped

Tear off the bag that is attached to the end of the wrap

Pull out the optional lights from the side pocket of the bag

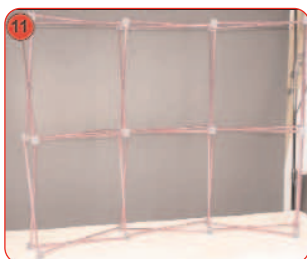

Pull out the mag bars from the other side pocket

Pull out the Quick mini unit

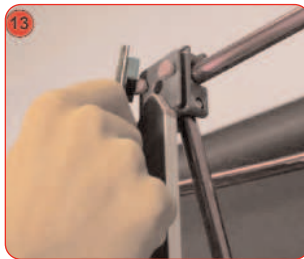

Lay the Quick mini on its side and pull the top bar up

Open it up all the way until the arms lock into place

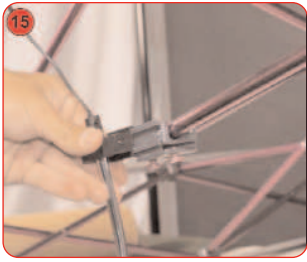

Put the mag bars on the frame. Cover the front, and the two back corners

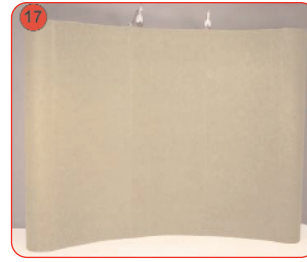

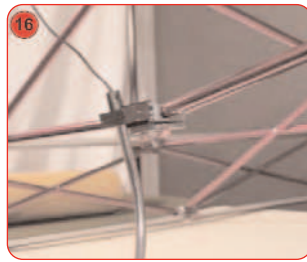

Hang the panels using the hooks on top of the unit

Attach the main panels

Slide the lights onto the hub on the top of the Quick mini

Here is the finished Quick mini.  
To pack it up again, follow the  
instructions in reverse order
